

# About us

## Part of your community

We are proud to be at the heart of local communities across the country. To continue our community-led culture, we have set out a number of “neighbour-friendly” practices:

- We aim for our store managers to be familiar with the local area, allowing them to react quickly and sympathetically to local issues when they arise
- We use a unique delivery system, enabling products to be transferred directly from the vehicle straight into the store, without the need for external movement of goods. This reduces external activity and limits any potential disruption
- Unlike most supermarkets, which operate extended or 24-hour opening periods, our stores typically open between 8am and 10pm Monday to Saturday, and between 10am and 4pm on Sundays
- We are committed to being responsible neighbours, and will work closely with the local community to ensure that any disturbance is kept to a minimum, from construction right through to when the store is open

## Local Jobs

With up to 40 new full-time roles available at our Gemini Retail Park store, we are committed to providing jobs for local communities.

With one of the best working environments in the UK and one of the highest rates of pay in the sector, this new store will provide local people with Aldi’s training and career growth opportunities.

Aldi’s rates of pay are significantly higher than the Government’s National Living Wage and also above the Living Wage Foundation’s recommended national rates.
