

About us

Part of your community

We are proud to be at the heart of local communities across the country. To continue our community-led culture, we have set out a number of “neighbour-friendly” practices:

- Aldi aims to recruit its store managers and staff from the local area, which allows them to react quickly and sympathetically to any local issues
- Unlike most supermarkets, which operate extended or 24-hour opening periods, our stores typically open between 8am and 10pm Monday to Saturday, and between 10am and 4pm on Sundays
- Aldi only stocks around 1,800 lines, compared to a typical supermarket which stocks 15,000 – 40,000, meaning Aldi food stores only need around 3-4 deliveries per day
- Aldi’s unique delivery system enables products to be transferred from the vehicle straight to store, without the need for external movement – minimising the potential for any disruption
- We are committed to being responsible neighbours, and will work closely with the local community to ensure that any disturbance is kept to a minimum, from construction right through to when the store is open

Local Jobs

The new Aldi food store would create approximately 40 - 50 new jobs, including managerial positions. Aldi aims to provide flexible jobs for local people, and more employment opportunities would also be available through the construction of the development.

Aldi employees receive industry-leading wages above the National Living Wage, proven opportunities for career progression, high levels of training, and a guaranteed minimum of 20 hours’ work per week.

It is Aldi’s aim to recruit staff locally for its new stores and, as a result, most staff live close to the store where they work.
