Welcome to our exhibition

Award-winning discount food retailer Aldi is bringing forward plans for a new store on Belwell Lane, Mere Green, Sutton Coldfield.

A new store will not only improve choice for our customers, but it will also regenerate the former Waitrose site.

Aldi prides itself on engaging with the local community before, during and after construction of its new stores. This is why we are asking for your views on our proposals before we submit a planning application to Birmingham City Council.

We would be extremely grateful if you could send us your comments on our plans. You can get in touch via a number of different channels and your feedback is important to us.

Serving more customers

This proposed new store is part of Aldi's ambitious growth strategy, with plans to double the number of stores across the UK over the next decade.

Aldi opened its 900th store in October 2020 and hopes to have 1,200 stores across England, Scotland and Wales by 2025.
