

# The Proposal

## A new Aldi food store

**The plans would deliver a new Aldi food store with a net sales area of 1315m<sup>2</sup>, alongside car and covered cycle parking.**

The proposed store would stock the same range of high-quality, award-winning products found at other Aldi stores.

The proposed floor space would mainly be for food goods, with a smaller range of non-food products, alongside servicing and staff areas.

## Our proposal for Southam offers:

- A new, modestly sized Aldi food store with a sales area of 1315m<sup>2</sup>
- Free customer parking with 121 spaces including 6 accessible, 6 parent-and-child and 2 electric vehicle charging bays
- Access in and out of the site via the A423
- A new store in a convenient location which would reduce the need for customers to travel further afield
- Creating around 40 - 50 new jobs which will be paid at Aldi's industry leading rate, above the National Living Wage
- Additional employment opportunities supported during construction and through the supply chain
- Attractive landscaping around the site
